

# Heere Be Dragones

NZOF Mapping Conference Wednesday 23<sup>rd</sup> April 2003 09:00 - 16:00

## Invitation and Request for Contributions

**You are invited to attend and contribute to the second NZ Orienteering Mapping Conference.**

The conference will be a series of discussions led by individuals with some interest or expertise in each topic.

All those who attend are expected and required to contribute. Feel free to prepare material on any relevant topic of interest, including those on the list below.

***Bring your "Boast Book" and interesting maps.***

The venue is Auckland University Clock Tower Theatre 029 Princes St. Please note that the Grafton Gully motorway system now bears little resemblance to this map.

We will use a state-of-the-art audiovisual system, including a Document Camera, so please bring your maps, videos, slides, laptop, whatever. You do not

need to make up transparencies but you can use them if you wish.

***We will not cover basic mapping or OCAD skills. This conference may not be interesting for mapping novices.***

**Discussions will probably be led by the individuals named:**

Michael Wood	MTBO Maps	<i>Your Name Here</i>	Funding maps
Mark Roberts	School maps	<i>Your Name Here</i>	Experience with ISOM 2000
Jim Lewis	Rogaine maps based on topo maps	<i>Your Name Here</i>	Mapping negative terrain
? Jason Markham	Draft IOF Sprint map specification	All	Ocad Cartography hints and tips
<i>Your Name Here</i>	Permanent Course maps	<i>Your Name Here</i>	Waterproof Paper
<i>Your Name Here</i>	Basemap sources including GIS	Jim Lewis	Laser Printing Issues
<i>Your Name Here</i>	Map scales	Stewart Hyslop	Photogrammetry logistics
Jim Lewis	Modified symbol sets	<i>Your Name Here</i>	NZ Map Specification Variations
<i>Your Name Here</i>	OCAD 8 course setting	Mark Roberts	Map Security
Jim Lewis	Condes integration with OCAD	Svend Pedersen	Fieldwork with Laser Rangefinder
<i>Your Name Here</i>	Paying for mapping	Jim Lewis	GPS Mapping
All	Fieldwork hints and tips	Rob Jessop	Finding areas for mapping
All	Experiences with printing shops		

No formal proceedings of the conference will be created but expect some material prepared by presenters to appear on the NZOF website afterwards (or indeed before.)

There will be a small charge to cover lunch and refreshments. Thanks to the University of Auckland for their assistance with the venue.

For more information, to request a billet or a ride, to register your attendance, to suggest a question or topic or to volunteer a presentation, please contact Mark Roberts [nmr@iprohome.co.nz](mailto:nmr@iprohome.co.nz) 09 520 7075 027 663 4224.
